INFORMATION DISCLOSURE STATEMENT

Sir:

Further to the above identified Application and in compliance with Rule 56 (C.F.R. 1.56), Applicant hereby wishes to call the Examiner's attention to the references listed on the enclosed form PTO-1449. A copy of each reference is also enclosed.

[ ] The Commissioner is authorized to charge Applicant's Deposit Account 07-0590 for the fee required under 37 CFR 1.17(p). Two additional copies of this paper are enclosed.

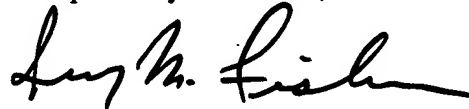

[X] No fee is due as this paper is filed prior to  
[X] the issuance of the first action in this application.  
[X] the expiration of three months from  
[X] the present application filing date.

The Examiner is respectfully requested to consider the foregoing information in relation to this application and to indicate that each of the references was considered by returning a copy of the initialed PTO 1449 form.

The French reference deals with a container having a valve, a body, and a closure. The closure is screwed on over the valve after it is placed in the neck of the container.

The DE reference deals with the use of plastics for the manufacture of coatings of containers for liquid metals.

Respectfully submitted,

Irving M. Fishman
